

Wizards of the Roast

- Coffee and boards games cafe

1. Introduction

- Wizards of the Roast is a coffee shop with a comfortable “at home” ambiance that blends a great cup with the fun and excitement of board games

2. Expected List of Features

- Wizards of the Roast website will showcase information about the shop (location, about, contact), a list of available games to play (potentially with Amazon link), a menu of food and drink items, and a form to book a table.
- These features will be needed so guests can get an idea of what to expect for accommodations.

3. Market Survey

- After researching other offerings, most board game cafe’s have similar offering on their pages. Main page, reservations, calendar of events, menus, list of games, etc.
